FROM THE FOUNDER DIRECTOR'S DESK

A Long journey, which started in 1997. The First self Financed Course of Madhya Pradesh in Medical Education-“School of Physiotherapy” with 30 seats, was started. It got merged into First Institute of its kind -MGM Allied Health Sciences Institute (MAHSI), in 2018. This Institute is now running 19 courses, Five Masters, Three degrees, nine Diplomas and Two Certificate courses. Total Strength of about 1000 students. Our mission is to develop into one of the finest Institutes in Paramedical studies, in coming three years. We already are in the final stage of signing MoU with a Foreign University. This will provide opportunity for faculty exchange, Students exchange and Research Collaboration. Several of our Students are working Abroad, and have done extremely well. This makes us very proud. From July this year we have started celebrating Silver Jubilee Celebrations which will end in July 2022. In December there will be one week celebration with Sports and Cultural Activities. We are inviting all Alumni to join us. So dear Students, tighten your belts and get ready for Takeoff. This is our First Newsletter, and I Congratulate Dr. Priti Taneja and Ms. Pooja Kaushik for their efforts.

ABOUT MAHSI

The First College of Physiotherapy in Madhya Pradesh-“SCHOOL OF PHYSIOTHERAPY” was started on 27 July 1997. The Institute has grown steadily in terms of infrastructure, expertise and Patient input. The Foundation of MGM Allied Health Sciences Institute was laid down in the year 2018, which included all the different Paramedical courses under one roof, which has been made possible by the untiring efforts of Dr. D.K Taneja. In May 2018, he conceived the idea of setting up the first Allied Health Sciences Institute in Madhya Pradesh. Since then he has made commendable efforts in developing the Institute. After the Formal approval in August 2018, Dr. D.K Taneja was appointed as Founder Director and joined on 1st September 2018. The First Challenge in this Project was to find an appropriate place for the Institute. The Old School of Nursing was identified, visited and renovation of the structure was proposed to give it a modern look and enhanced it with technology to support the education and growth of aspiring students.

Posts were advertised and Shri Ramhari Meena as Principal and Mr. Hemant Shukla as Deputy Director Administration; along with several additional new faculty were appointed. Dr. Anita Mutha was nominated as Chief Coordinator.

Shri R.S Julania, IAS, Additional Chief Secretary of Medical Education Department, Government of Madhya Pradesh, was the brilliant brain behind this whole venture and supported it all heartedly. Within a short span the dream of setting up the first Allied Health Sciences Institute, was fulfilled and is now running in full form conducting various Paramedical courses. The Following Courses are conducted in MAHSI, Undergraduate degree in Bachelor of Physiotherapy, Bachelor of Occupational Therapy, Bachelor in X-ray Radiodiagnosis, Diploma in Medical lab Technology, Microbiology Technician, Dialysis Technician, Blood Transfusion, Human Nutrition, Ophthalmic Assistant, Anesthesia Technician, Radiotherapy Technician; Certificate Courses in Operation Theater Technician and Respiratory Technician; and Post graduation Degree in Physiotherapy
